Meetings are held at the Klamath County Museum Meeting Room – Main & Spring Streets, using the *West* entrance. **Meetings are held on the 2nd Monday of each month at 7:00 pm** with the exception of December when we have our Christmas Luncheon and Party.

Visitors are cordially invited:

Dues are \$10.00 per year per adult (\$18 for couples), \$7.50 ages 16-18 and free for juniors ages 15 and under whose parents pay dues.

General Objectives of the Club:

To promote popular interest, knowledge and understanding in the various earth sciences, as in Geology, Mineralogy, Paleontology and Lapidary and other related subjects. To sponsor and provide means of coordinating the work and efforts of all persons interested therein.

Helping Others:

The club participates in the NFMS stamp program, saving large commemoratives, airmail, pre-canceled, foreign and "ordinary" stamps of all values. Proceeds from stamp sales will be used to benefit any charity deemed worthy by the NFMS Endowment Fund.

Meeting was called to order by Jeff Eastburn president the pledge of allegiance was said by the club. It looks like our club is growing in numbers and boy do we like that. Welcome to all new members and guests. Members let's welcome all these people and make them feel welcome.

Door prize was Marilyn Davis congrats.

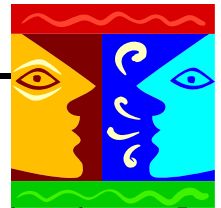

We went right into the program that was the Japanese bonseki paintings shown to us. Herb Bas-tuscheck.

Club Correspondence check with the newsletter from the club to see what is coming up. This Thurs at IYS at 6pm for the wrapping up of the show. Next year's show is the 12 and 13 of March 2011. 25,26 and 27 at the sunstones in June of 2010. Thank you to Chris and Sam Chance for our refreshments tonight and our refreshments for next month in April is going to be the Longs and Carlson so thank you.

The club made a motion to give 25.00 for the IYS teen center and they second it. We will donate 525.00 to the charity for the IYS teen center with proceeds from the show and the first monthly charity. It was motioned and second it by the club. The President would like to extend a thank you to John and Rosanne Long for the American Flag and the Gavel for our club meetings. Thanks again.

CLUB CHAT ~ 2010 & 2011 SHOW ~

NEXT MEETING:

- April 12th
 - Refreshments:
- The Long Family &
The Carlson Family

Happy Easter!

After the show wrap up brought a couple of ideas we need to work on throughout the year. It has been proposed that we build more cases so our of our cases are the same type with the same material. We will include plans in an upcoming newsletter, can you help with this? What to do with the old cases after we build new, auction, donate, ideas? Please give us your thoughts.

As you go on field trips we know you love what you find, but could you please pick up extra rocks and then donate them for next years show? We always need material for silent auction, treasure hunt and kids table.

Looking for a project for those rainy days, while watching TV or for the kids over summer? Could you buy \$10 worth of craft supplies and then ask for rock from the club and make critters. If we each took the time to make 10-20 critters during the year it would make next years show a lot easier.

Do you have pictures from the show? Please bring a copy of them to the meeting or email them to Charlie or myself. We would love to have them for future newsletters, advertising, website and for the historian. Thanks for your time!

From The Editor

I only have one thing to say about the show, WE ARE AWESOME! Okay, you know me I can't just say one thing. We did such a great job, I heard such great compliments and good things. It was a lot of hard work but our club stepped up, worked hard and the result was a organized, fairly stress free, show for everyone. I was so impressed by the number of people who showed up to help, no matter what the job was.

We are featuring a round up of the show in this edition but don't think we are done with the show. See the club chat for things you can do throughout the year to help with the 2011 show. Also in this newsletter we have included the membership list. Please take a moment to check your information, do we have it right? Are we missing any information? If so please contact one of us; myself, Charlie, Shelia, Jennie or Jeff to fill any blanks in or to correct any item. We appreciate you taking the time!

Do to the membership list a couple of regular features will be postponed till next month, which will also include a write up of the great program Herb Bastuscheck did for us last month, if you missed it Jeff filmed it for our library, take the time to check it out.

Finally it is time to plan field trips for the year, Marvin did a write up of our field trips for you to look over, remember for us rock hounds, field trips are where its at! So please try to fit one into your schedule, we enjoy having you come with us. Don't forget if you go out by yourself, write me an article and share where you've been and what you collected. Thanks everyone!

Our Field Trip in March By Linda & Robert Gresham

Our field trip for March was a trip over to Garwin’s workshop. Garwin is so patient, caring and enthusiastic that it is a real pleasure to visit with him. It was Linda’s first time to be able to play in his workshop. Neither Robert or Linda wanted to leave!

Linda went to learn about silver smithing – a passion that Garwin makes look easy. It was only a short time before a ring emerged. Thank you Garwin for sharing your knowledge!

Robert went to learn about cabbing. He brought along a slab of jasper to practice on. This jasper was a piece that we had found on our last outing to Obenchain. Again, Garwin made this technique look easy. And, in a short time, Robert had a shiny cabochon to take home and wire wrap.

We learned a bit of the how’s and why’s things were done. Garwin gave us a bit of background on each technique. Linda took pages of notes. We also had a great time looking over all the wonderful rocks and projects that Garwin has in his workshop.

In fact, we were both so motivated that when we got home, we cleaned out a portion of our garage to start our work-bench. Robert is putting the finishing touches on the wiring so we have enough outlets to run machines – when we get some. Anyone have any polishing machines they may want to part with?

Thank you Garwin for a wonderful afternoon!!!

Do you have our black light? Please let us know, or just return it! Thank you!

This is a summary of planned field trips and several other field trips if enough interest is shown, provided by Marvin Stump. Specific information will be included in future newsletters. Please join us!

Planned Annual Field Trips

**HAMPTON BUTTE – Memorial Day Weekend,
May 29-31, for Petrified Wood.**

This is a large collecting area for petrified wood located some 64 miles easterly of Bend. This is a dry camping area located in a beautiful old-growth juniper forest. Will have other clubs coming, so camping area will fill up, plan on coming early.

**PLUSH - Last Weekend in June,
June 26 & 27, for Sunstones at our Claim**

Field trip to be led by Garwin. Located in the sagebrush north of Plush, Oregon. Bring your own shade and lots of water.

**LASSEN CREEK – Third Weekend in July
July 17 & 18, for Obsidian**

Located in the South Warner Mountains mid-way between Lakeview and Alturas. Beautiful grassy camping area with Lassen Creek flowing through it.

Proposed Field Trips

Gold Panning & Jade!

Also, **Ron Skog**, a club member who lives at Jacksonville, has offered to host a field trip to the **Upper Applegate River**. Panning for gold in the river

and collecting jade would both be available. This site is not far from Jacksonville.

Snake Skin Agate!

Maybe a day trip only to Day Creek for snake skin agate, useful for the critters for next years show.

Crater Rock Museum!

Car-pool over to Central Point to visit the Crater Rock Museum, maybe the same weekend as a show and combine the two.

Proposed Field Trips

Opals

If there is enough interest, we could plan a field trip to Virgin Valley, Nevada, for opal digging.

The following is information that I gathered from various web sites for the opal mines.

VIRGIN VALLEY OPAL. Located in Northwest Nevada just south of the Oregon border, 100 miles from Lakeview and 135 miles from Winnemucca. Access is by Highway 140. A few of the club members have mentioned wanting a field trip to Virgin Valley to collect precious and fire opal.

There are four mines that are open for fee digs. Web site links for the four mines can be found under the heading "Fee Digs" on the first page of the following web site:

www.thegemdealer.netfirms.com/FAQ/virgin_valley_faq.html

The following information is based on 2009 data.

BONANZA OPAL MINE – Open mid-May through September. Free camping near the mine. Fresh tailing Fee digging is \$60/person /day. \$10 discount for rock club with proof (this is not clear whether it means member).

THE OPAL QUEEN – Open year around. \$150/day bank digging, \$75/day tailing digging.

RAINBOW RIDGE OPAL MINE – Open mid-May through mid-September. New material is \$500/day for one or two adults, \$70/day for tailings.

ROYAL PEACOCK OPAL MINE – Open mid-May through mid-October. Bank digging \$180/day, \$75/day for tailings. 17 space RV park plus tent camping. Laundry room & toilet/shower room.

In addition to the four mines listed, **John Church**, a club member, operates **Swordfish Mining** in Virgin Valley, and has indicated an interest in offering a fee dig to club members. No details have been worked out for this proposal.

Camping is available at the CCC camp (now under U.S. Fish & Wildlife administration) approximately 3 miles from Hwy 140. There is a toilet, a naturally hot water heated shower and outdoor swimming pool (complete with fish), and a few small trees.

Denio Junction, about 30 miles to the east, has reopened and offers food, fuel, and rooms.

We had full turn out for all the meals!

Thank you to our Dealers!

Not counting the kids we had 2400 through the front door

Thank you to all who put in cases!

Thank you to all those who worked!

Silent Auction had a record year, thanks to Larry, Holly, Lori, Nathan, Michael and others!

Thank you to Keno Lions Club

Thank you to the Klamath Prospectors' Club!

Thank you to the KCC Science Club

Thanks to IYS Youth Center

Garwin Says “ Thank you to our demonstrators, you did a great job and we couldn’t do it without you!
