VIRGIN VALLEY FIELD TRIP

AUGUST 20 & 21, 2011

For ease in club members enjoying the different mining adventures in Virgin Valley, Saturday will be left open for members to go to the Fee dig(s) they desire. This will allow members to arrive at Virgin Valley on their own schedule. A brief description of these fee digs is given below.

On Sunday, you can either attend a fee dig or spend the day with John Church (club member and owner of Swordfish Mining). We will meet John Sunday morning at 8:00am at the Virgin Valley Campground. John has acquired some new claims that he plans on showing us, they have not been worked to any great degree but show petrified wood in places. There will be no cost for the day with John unless he finds some fantastic material on the newly acquired claims. By going with John to his claims on Sunday, members will be able to leave whenever they want to head for home.

FEE DIGS

VIRGIN VALLEY OPAL is located in Northwest Nevada just south of the Oregon border, 100 miles from Lakeview and 135 miles from Winnemucca. Travel time from Klamath Falls is around 3 ½ to 4 ½ hours depending on the type of vehicle and if you are pulling a trailer. Access is by Highway 140.

There are four mines that are open for fee digs. Web site links for the four mines and Swordfish Mining can be found under the following web sites: thegemdealer.com opal mines & goldnuggetwebs.com/VVOPALS/VVMAPS.LTM. The second site has good maps.

BONANZA OPAL MINE – Fresh tailing Fee digging is \$60/person /day, 12 and under free with paid adult. \$10 discount for rock club members with proof. Ph. 864 597-1421; Web. bonanzaopals.com.

THE OPAL QUEEN – \$150/person/day bank digging, \$75/day tailing digging. Ph. 775 941-0130; Web. opalqueen.com

RAINBOW RIDGE OPAL MINE New material is \$500/day for one or two adults, \$70/person/day for tailings. Children 10 to 15, half price. Ph. 775 941-0270; Web. nevadaopal.com.

ROYAL PEACOCK OPAL MINE – Bank digging \$180/person/day, \$75/person/day for tailings. 17 space RV park plus tent camping. Laundry room & toilet/shower room. Bag ice, cold pop, pure well water, grass picnic area. Ph. 775 941-0374.

I encourage every one to check the web sites so you can get an idea of what the country is like and what you can expect.

ITEMS TO BRING: Most important is water. In most places there is little or no shade and it is easy to dehydrate. For working the ground suggested items are: small pick, small garden rake, small shovel or trowel, spray bottle with water, buckets for collecting specimens plus an extra one to sit on. Sun block, hat, and gloves.

The campground is about 3 miles from Hwy 140. There is a toilet, a naturally heated hot water shower and outdoor swimming pool (complete with guppies), and a few small trees.

Denio Junction, about 30 miles to the east, has reopened and offers food, fuel, and rooms. Ph. 775 941-0171.

HOW TO KNOW WHERE TO TURN OFF HWY. 140. Traveling from Lakeview on Hwy 140, it is about 68 miles (if my memory is somewhat reliable) from Hwy 395 to the Oregon/Nevada border. The road going into Virgin Valley is approximately 20 miles after entering Nevada. There is a rest area on Hwy 140 just west of the Virgin Valley access road. There is also a sign on the highway inviting people to come into the opal mines and collect “black fire opal”.

Leah and I are planning on being at the campground early Friday evening. We will not be at the August meeting, so if you have any questions talk with members who have been to Virgin Valley. Call or e-mail me if you any have questions. Ph: 541 882-8341, e-mail: mrslas@ccountry.net. Marv Stump
